Discount Cab's parent company looks at summer a whole new way since installing a 400-panel rooftop solar energy system at its Glendale headquarters a year and a half ago.

Now, instead of cursing the hot summer sun, the folks at [Total Transit](#) praise the rays for their ability to help the company save money on electricity.

"We've been saving \$1,500 to \$2,000 on our monthly utility bill," said CFO **Larry Eisel**. "The hotter and more sun, the
