To Whom It May Concern:

Total Transit, Inc., has requested a contract to provide NEMT transportation services for the State of Arizona.

My company intends to contract with Total Transit to provide NEMT services. I understand that any contract with Total Transit for services under the NEMT program will be subject to the rules and regulations of Total Transit, its clients, and the Arizona Health Care Cost Containment System (AHCCCS), Arizona's Medicaid agency, depending on the scope of the contract.

This Letter of Intent indicates only our willingness to provide transportation services under a future contract and does not bind either my company or Total Transit to any particular terms or conditions.
